

Street Closures/Restrictions *** After Commencement*** (updated 3/15/2017)

Legend:

Closures

Lane/Access Restrictions

(Lane restrictions may involve delays due to two-way traffic alternating use of a single lane, or reduced speed limit due to lane shifts, etc., but the street is expected to remain open unless otherwise noted.)

Parking Lot 101, service area in Lot 104, and west part of Lot 72 closed May 15 thru Aug. 1 for reconstruction.

Closed to thru-traffic until May 2018 due to Central District construction; EXCEPT open to thru-traffic during residence hall and apartments move-in and move-out dates. North sidewalk remains open for pedestrians throughout construction.

Closed to thru-traffic (including sidewalks) May 15 through Aug. 1 for street construction (and Earth Energy & Environment Center construction at Naismith & Crescent). Traffic gates to Jayhawk Blvd. will remain open during this time period. Access to stadium parking will remain open.

On-street parking blocked off and east sidewalk closed Spring 2017 through Summer 2018 due to City water tanks project.

Closed to thru-traffic Jun. 1-14 for pavement repairs.

Closed to thru-traffic Summer 2017 to Summer 2018 for City utility and street improvements project.

Closed to east-bound traffic May 15-30 for repairs near Lilac traffic booth.

Closed to thru-traffic May 22 thru Jun. 9 for pavement mill & overlay. This will be performed overnight and the street reopened during the day if Naismith Drive north of 15th Street is closed.

Closed to thru traffic May 15 through August 2017 for construction.

Construction traffic only through spring 2017.

Construction traffic only through spring 2017, then permanently closed (will be removed).

Construction traffic only through spring 2017.
